Patient Financial Policy

Thank you for choosing us for your healthcare needs. As your physician, we are committed to providing you with the best possible care. Please read our financial policy and, if you have any questions, please ask one of our associates for assistance or call our office at (844) 733-1400

PATIENTS WITH INSURANCE POLICIES

For insurance companies that we participate with:

We are pleased to bill your insurance on your behalf. If your insurance requires you to make a copay, coinsurance, and/or deductible, we expect this payment at the time of service. In addition, you will be responsible for any amount the insurance plan deems not covered, up to the entire amount.

If we have not received payment or rejection from your insurance company in a timely manner, we will transfer the balance to your responsibility. We request your assistance in following up with your insurance company to resolve any non-payment issues.

For insurance companies that we DO NOT participate with:

If your insurance has an out of network benefit clause and we are able to verify coverage and obtain authorization, we will submit a claim to the insurance company on your behalf. Phynet reserves the right to collect any unmet deductible or coinsurance at the time of service. It is ultimately the patient's responsibility to verify if we are in network and what the out-of-pocket costs in using an out-of-network provider will be.

SELF PAY PATIENTS

If you do not have insurance or are seeking care outside of your insurance plan benefits, payment in full is required prior to the service. For your convenience, we accept cash, check, Visa, Mastercard, discover, and American Express. A returned check fee of \$35 will be assessed on any check returned by the bank. Future services will require payment by cash, money order or credit card.

COPAYMENTS

According to the agreement you have made with your insurance company, copayments are due at each visit. If you are not prepared to pay your co-pay, your appointment will be rescheduled.

COINSURANCE

Coinsurance is based on the pre-determined level of coverage outlined in your insurance policy. For example, you may have an 80/20 plan, meaning the insurance will consider and pay 80% of the charges and the remaining 20% is your responsibility. It is very important to review your coverage to determine your level of coinsurance.

NO SHOW FEES

Patients who failed to keep appointments or cancel without 24 hours advance notice may be charged a \$50 fee for an office visit, a \$100 fee for a missed surgery/ASC appointment and a \$75 fee for a cosmetic appointment.

PAST DUE ACCOUNTS

In the event a balance becomes past due, your account will be considered delinquent. Delinquent accounts are subject to further collection action, including placement with a collection agency. The patient will be responsible for any collection fees associated with collecting the outstanding balance.

DISABILITY AND OTHER SPECIAL FORMS

We recognize that special forms are sometimes necessary to provide documentation of medical conditions. Completing forms is time consuming and generally falls outside of the contractual relationship between you and your insurance company. We will be happy to complete these forms at the following rates:

- FMLA-\$25
- Disability/Physician Attestation-\$25
- Miscellaneous Forms-\$25
- Medical Records-\$35

Payment of the form filing fee is due at the time of request and a medical release form must be signed.

We will gladly discuss your proposed treatment and will do our best to answer any questions relative to your insurance. You must realize that: A) your insurance is a contract between you, your employer, and the insurance company. B) not all services are a covered benefit in all contracts. Your insurance plan may elect to not cover certain services for various reasons.

As your medical provider, our relationship and concern is with you and your health, not your insurance company. While the filing of the insurance claims is a courtesy, all charges are your responsibility from the date services are rendered.

I HAVE READ AND UNDERSTAND THE ABOVE FINANCIAL POLICY.
